

**BIOL 601 Biotechnology Seminar Series Spring 2010
Final Speaker Schedule**

April 2010

Thursday, April 8, 2010 (6:00-7:30pm PST)

THOMAS J SCHULZE, PhD, PMP®
President, TAON™ Biopharma Consulting Inc.,

Title: "Pharmaceutical & Biotechnology Research and Drug Discovery: An Overview".

Thursday, April 15, 2010 (6:00-7:30pm PST)

JESPER HAANING, PhD
Director, Head Hematology Research Bayer Schering Pharmaceuticals

Working Title: "Protein Research and Drug Discovery in Biotechnology."

Thursday, April 22, 2010 (6:00-7:30pm PST)

UMA LAKSHMIPATHY, PhD
Research Scientist, Life Technologies Inc.

Working Title: "Stem Cell Research in Industrial Biotechnology."

Thursday, April 29, 2010 (6:00-7:30pm PST)

JOHN LAUDEMANN, MS
Associate Scientist Protein Sciences, Amgen Inc.

Working Title: "Therapeutic Proteins in Biotechnology R&D."

May 2010

Thursday, May 6, 2010 (6:00-7:30pm PST)

CHRIS ROBERTSON, PharmD
Project Team Leader KYTHERA Biopharmaceuticals

Title: "KYTHERA Biopharmaceuticals – An Innovative Approach to Bringing Innovation to Aesthetic Medicine".

Thursday, May 13, 2010 (6:00-7:30pm PST)

ED MOORE, PhD,
Senior Director Research & Development, Baxter Medication Delivery

Working Title: "Protein Analytics & Analytical Development in Biotechnology R&D".

Thursday, May 20, 2010 (6:00-7:30pm PST)

**ANASTASSIOS D RETZIOS, PhD,
CEO, Bay Area Clinical R&D Services**

Working Title: "Clinical Drug Development in Biopharmaceutical R&D."

Thursday, May 27, 2010 (6:00-7:30pm PST)

**MARIANNE MANCINI, MS, MBA
Senior Director Clinical Program Management Arena Pharmaceuticals**

Title: "Clinical Program Management"

June 2010

Thursday, June 3, 2010 (6:00-7:30pm PST)

**PHIL BECCUE,
Director, Strategic Portfolio Management & Decision Analysis Baxter Bioscience**

Title: "From Molecule To Market: Project Portfolio Management & Decision Analysis in Biopharmaceutical R&D".

Thursday, June 10, 2010 (6:00-7:30pm PST)

**MEHRSHID ALAI-SAFAR, PhD, PMP®,
Senior Director Global Regulatory Affairs Baxter Bioscience**

Title: "Biopharmaceutical Chemistry, Manufacturing, Control (CMC): Collaboration Between Different Functions".

Thursday, June 17, 2010 (6:00-7:30pm PST)

**Thomas H. BLISS Jr., MBA
CEO, Therakyn Inc.**

Working Title: "Business Development & Licensing in the Biopharmaceutical Industry"

Thursday, June 24, 2010 (6:00-7:30pm PST)

**Dan MYTYCH, PhD
Scientist Immunology, Amgen Inc.**

Working Title: "Human Therapeutic Antibodies"
